AT TURTLE'S BAR & GRILL ... YOU ARE LIKE FAMILY

Since 1990 Turtle's Bar & Grill has been a family owned and operated neighborhood bar & grill, and all 5 of our family members either still do, or have at some point, actively worked the business. Additionally, we are so fortunate to have many employees that have been on our team for over 25 years!

Turtle's is a scratch kitchen and most items are made entirely from scratch from old family recipes. We try to use local ingredients whenever possible and have an inside-out purchasing policy, trying to support as many nearby local economies as possible. This practice extends to our extensive beer list, where we feature as many Minnesota brewed beers as possible. On Mondays, join us for \$5 pints of Minnesota brewed beers from open to close! Drink Local!

Some menu highlights include our wide variety of *Certified Angus Beef*® burgers cooked the way you like them. It's important to start with only the highest quality ground beef blended with aged steak cutlets for premium flavor and juiciness. We spent close to a year perfecting our crispy fried chicken breading which is wonderfully spiced, but not too tame or too spicy either. We use this breading on a number of items on our menu. Since day one, Turtle's has focused on world class stone oven crispy thin crust pizza. We make the dough and sauce pretty much daily and we even blend our own sausage in house! We carefully select only the best cheese and add it in abundance, just like we do the toppings. Our breaded to order beer battered Walleye Sandwich is likely the star of the sandwich section but the Monster Roast Beef isn't far behind. Another customer favorite is our Southwest chicken salad, which along with our chopped salad and others, provides some healthy alternatives to burgers, fried chicken and pizza.

Attached to Turtle's Bar & Grill is our banquet facility called Turtle's 1890 Social Centre. It's a state of the art banquet facility from yesteryear, as it is in a fully renovated building that was originally constructed in 1890. It provides the perfect ambiance for wedding receptions, company gatherings, birthday parties and any social event to celebrate with family, friends or coworkers. We make this space available at reduced rates for school groups and civic organizations whenever possible. For a tour of this unique facility, feel free to call Bryan Turtle at 952-445-9668.

We appreciate that you've joined us here today and on behalf of our entire family of employees, we'd like to say THANK YOU! Because you, the customer, are the most important ingredient in what has become Turtle's Bar & Grill's legacy of serving the Minnesota River Valley for over 30 years!
